Firstly we hope that you are all continuing to keep well and staying safe with the situation in the UK with COVID-19. We are all missing our customers and missing The Woolpack Inn and we are very much looking forward to having a Party when we are allowed to re-open.

We have been much more positive the last few days: we have been busy on-site painting the fences and tidying up the gardens ready for when we re-open. It is refreshing to see businesses gradually opening up around us and gives us the hope that light is at the end of the tunnel.

We are looking ahead to Sunday 10\textsuperscript{th} May 2020 and the guidance that we will be given from Boris and the UK Government: we wanted to re-assure you all that we are also busy planning our exit strategy and looking at ways we can safely open the doors of The Woolpack Inn Bar & Restaurant. Safety is paramount to us for our staff and all of you.

Stay safe everyone, we will be releasing a further statement as soon as we know more on this situation.
